ABOUT US

Everyone deserves to have his or her dream space realized in an affordable budget. Having worked with countless clients over many years, we provide you the best solutions.

TJ & Interiors, our parent company saw its inception with an exclusive project of SFS Builders in the year 1997. Lt. Mr. Thomas John was our contractor back then, and he has been core to the growth of Home & Kitchen Interiors.

High quality interiors have always been our top priority. Staying updated with key trends of this world, we strive to get ahead of the wave when new aesthetic preferences reach Kerala. We have two world-class showrooms in the two of the metro cities of Kerala; Ernakulam & Thiruvananthapuram. We are also the OEMs of many international brands and the exclusive dealer of JB Glass.

OUR TEAM & FACILITIES

Our Capabilities

Only the best of the best will in charge of your project. Personally, handholding you from the moment you dream of a creative project, until the execution is complete and you are ready to move into your space, our team of trained professionals has your satisfaction alone as our aim! With the capacity to undertake around 25 project simultaneously, we deliver on time. All across Kerala, we give you the best prices for premium materials.

THE PRODUCTION CAPACITY

Spanning over 10000+ square feet, our factory has well defined spaces for all the different processes encountered in the interior designing works. Our factory, which is equipped with the most advanced German machinery, provide the latest cutting-edge technology like CNC Multi boring, Panel Saw, Cold Press, Through Feed Edge Banding. With a 100+ staff strength, every team of 7-10 people are led by a team lead to make sure the products are manufactured in the most efficient and sustainable manner. All deliveries across Kerala are carried out from this factory ideally located in the Capital City.
